**PE and Sport Premium Monitoring and Tracking Form 2025/26**

**Review of Last Academic Year 2045/2025**

Key areas as outlined in PE and sport premium guidance	Evaluation	Targets for Next Year
<p>1. Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed</p>	<p>After feedback from staff, we introduced a new planning scheme from our local sport partnership. At the end of the year, 100% of staff were positive about the planning and all felt it was clearer to follow and broken down into more achievable steps. A member of our sport partnership came in to speak about the planning and has continued to provide guidance where needed.</p> <p>100% of staff also found the dance CPD opportunity very helpful and we now have dances such as country dancing and street dancing on our curriculum.</p> <p>Pupil voice has been strong with 100% of the 14 children asked including pupil premium and SEND that PE lessons are fun and engaging. Childs comment <i>I like sport here. It brings us altogether. My favourite things are trying new sports. We tried archery last week and I got 5's every time. It made me feel proud of myself.</i></p>	<p>Continue to monitor staff confidence and complete some lesson observations and pop ins.</p> <p>All staff to complete a term of CPD with our sport partnership to continue to add to knowledge and to deliver a high standard PE curriculum that is accessible for all.</p> <p>Staff to take part in orienteering CPD.</p>
<p>2. Increasing engagement of all pupils in regular physical activity and sporting activities</p>	<p>There are many opportunities each day for the children to take part in regular physical activity. The introduction of OPAL has also helped with this.</p> <p>The sport leader team was strong this year and very proactive. It was a particular highlight to have our sport leaders lead an event at Tonbridge School for nearly 100 younger children in surrounding local schools.</p> <p>All classes have competed a weekly forest school session over the year with our trained leader.</p> <p>All children and staff took part in our activity day this year which was boogie bounce. It was engaging, fun and accessible for all and we now have trampettes out now during OPAL.</p>	<p>To monitor movement breaks within the school day to ensure all classes are consistent.</p> <p>To continue raising the profile of the sport leaders and to re-introduce this year with the new team.</p> <p>To plan our activity day.</p>

Key areas as outlined in PE and sport premium guidance	Evaluation	Targets for Next Year
<p>3. Raising the profile of PE and sport across the school, to support whole school improvement</p>	<p>We were very proud to achieve our platinum sport games award for the second time at the end of this year.</p> <p>We hosted another excellent sports day which saw children taking part in various athletic sports. We had some wonderful feedback from parents.</p> <p>We took part in our first colour dash event arranged by the school. It was a very memorable event that saw all children running around our local field being covered with paint!</p> <p>Parent comment - <i>Sports opportunities have been great. My son isn't particularly traditionally sporty, but the PE leader keeps inviting him until she finds something he will do! I love the ethos that EVERYONE represents the school, not just the sporty ones. He enjoys leading casual sport activities at lunchtimes for peers in his role as Sports Leader.</i></p>	<p>To organise our sports day and colour dash for 2025-2026.</p> <p>To arrange a clip and climb trip for years 1 – 6.</p> <p>To encourage a healthy active school by signing up to the National Walk to School week.</p> <p>To continue updating the PE board and the school weekly newsletter with our sporting achievements.</p>
<p>4. Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls</p>	<p>100% children attended or were offered a sporting event. This is monitored with a spreadsheet.</p> <p>Fencing and archery in key stage 1.</p> <p>We have taken part in SEN workshops as well as taken children to SEN events in addition to ensuring they attend an outside event.</p>	<p>For 100% of children to take part in a sporting event over the year.</p> <p>For all children on SEN register to have attended a workshop within school and an outside sport event.</p> <p>To host a Girls only sport workshop for years 5 and 6.</p> <p>To organise some inter-school house competitions over the year.</p> <p>To offer more clubs to key stage 1.</p>

<p><b>5. Increasing participation in competitive sport</b></p>	<p>This year we entered the Tonbridge Football Association league. We took part in up to 10 matches.</p> <p>We continued our weekly netball club. They played several matches against other local schools. We brought netball posts to ensure we could host home games and to support practice.</p> <p>We took part in a cheerleading event where our team won The Showmanship Award.</p> <p>We also entered a swimming gala and the yearly dance competition.</p>	<p>To enter the Tonbridge Football Association league and run a weekly football club. To arrange some B team matches. To run a netball club and to arrange matches against other local schools.</p> <p>To take part in our yearly competitions of Cheerleading, Let’s Dance and the Swimming Gala.</p>
