School Fun Day - Thursday 15 July 2021

We can't quite believe that we are almost at the end of another school year!

The last year has been strange for all of us and we have missed many opportunities to get together and have fun as a school community.

With that in mind, whilst we may not be able to get together for our annual summer fair, the PTA would like to invite all of the children to a School Fun Day!

The day has been created to allow everyone (within their class bubble) to spend an hour out of the classroom and enjoy a fun-filled time with their classmates. There will be lots for them to do, including an inflatable assault course, fairground games, crafts, and each child will take home a goody bag.

The event will be run by PTA volunteers, who will ensure that hygiene standards remain high and that the children are well looked after throughout.

The cost of the Fun Day will be a suggested donation of £5 per child. This is to cover costs of hiring equipment and any other purchases that are needed.

Please post your contributions, in an envelope (marked with your child's/children's name and class), in the red box located inside the school gate at drop off during the week **beginning Monday 5 July**. Alternatively, please give the envelope to your child to hand in to the school office via their teacher.

The children will be allowed to wear their own clothes for the whole day.

We are really looking forward to providing the children with a fun experience before the end of term. They have all coped remarkably well and we think that they deserve to celebrate with their friends!

With thanks and best wishes.
