

Weekly News - Last News before Christmas

We have reached the end of term 2 and what a super term it has been! This week we have enjoyed Jack and the Beanstalk Pantomime, had our first Christmas party and have taken part in lots of Christmas arts and crafts. Please see tapestry for some photos!

We wish you all a fantastic Christmas and relaxing break! Thank you for all your support this term!

**We look forward to welcoming you back on Monday 4th January
Love Mrs Wood, Miss Scott and Miss Brooks x x x**

Notices

- The fruit company have not yet sent through the fruit rota for term 3. As soon as it comes through, I shall post on tapestry.
- Forest school will start on **Monday 11th January**. This is so we can launch our new topic on the first day.

Next Term

Next term we would usually start our 'What I want to be when I grow up'. However, as the topic relies on professional visits in school such as the fire engine, vets and police force, then I have decided to postpone this topic until we are able to have visitors in school again. Therefore, we will be doing space next term!

Dress up Day

On Friday 8th January, we will be having a space dress up day for our new topic. We will still do some space themed PE so children will need to wear trainers. Your child could wear something sparkly, grey, or black, or a space t-shirt etc. Space suits would also be okay, but please do not feel that you need to buy anything new!

Home Learning Question

Over the Christmas holidays can you make a rocket? Can you give your rocket a name? Please be as creative as you wish! Please can you take a picture and put onto tapestry. Please do not bring the rockets in. We will be printing the pictures off and making a display of them at school! We can't wait to see them!
